Seaside... ..Ranchos

Betty Lou Sparks
Editor's Note—Mrs. Evelyn Hyder, for many months Seaside Ranchos correspondent for the Torrance Herald, this week leaves to assume new duties with a health club. Her successor as author of this column is Betty Lou Sparks, wife of Mark H. Sparks, of 23084 Doris way. Mrs. Sparks asks the same splendid cooperation Mrs. Hyder has enjoyed from residents of the community. She may be called at Frontier 61781.

The Memorial Day holiday is a fast fading memory, and though some of us spent the time pulling weeds, chasing gophers and tending meales, many Seaside made pleasanter use of the four vacation days. Jim Hilt spent two days on a fishing excursion down in Old Mexico; Mr. and Mrs. Gerald Olsen made a trip to see the redwoods in Yosemite National Park; Mary Jane and Gene Miller and the boys went to Redlands to a class reunion of Mary Jane's high school class; and Helen Cantor's mother and father, Mr. and Mrs. William Gilfallen of Visalia, surprised her with a visit on her birthday, May 28. Fifty Seaside and Hollywood Riviera boys, members of 'Cub Scout Pack 726-C, and their parents celebrated Memorial Day with an all-day picnic at Camp Archie Shields of Palos Verdes. A big picnic lunch, baseball games, and a hike led to the main event, awarding of merit badges to those who had earned them.

A surprise farewell party for the Myron-Buys was given Saturday night, May 27, by their friends and neighbors at the home of Dr. and Mrs. O. Eugene Hurst. A Ronson silver cigarette box was presented the departing couple, and a spaghetti supper was served at midnight. Best wishes of Seaside go with Mike and Doty who have contributed much to our community activities. We'll miss them. Those present included Dr. and Mrs. Eugene Hurst, Mr. and Mrs. Frank Hanover, Mr. and Mrs. Roy Swift, Glendale, Mr. and Mrs. R. Shelley, Los Angeles, Mr. and Mrs. Douglas Horn, Mr. and Mrs. Harmon, Mr. and Mrs. Walter Harris, Mr. and Mrs. Eugene Miller, Mr. and Mrs. Don Hall, Mary Conover, and Bob Wilson.

The last meetings of this semester for the adult handicraft classes will be given this week at the Seaside School. Anyone interested in the many crafts taught there, ceramics, rug making, leathercraft, copper tooling, textile painting should remember that classes will be resumed in the fall and all adults are invited to participate.

An interesting result of these classes are the many delicate pottery figurines to be found in many Seaside homes. Another indirect result is the copper plaque made by each boy in Mrs. F. Schooley's Cub Scout Den 2 last week.

Six intrepid Seaside last week decided to try their luck at trout fishing. Friday night Gary Jacobs, Gary Patton, David McNary, "Butch" Parent, Richard Hardige, and Mr. Parent drove up to the south fork of the Kern River, north of Lancaster, pitched their tents and actually caught some fish. The teen age group in Seaside Ranchos and Hollywood Riviera have formed a Teen-Age Canteen. All teen age boys and girls are cordially invited to attend the first meeting, to be held at the home of Ellen Morris Saturday, June 10, for an evening of fun. This group is under the direction of Coach Cosby.

Mrs. Lowry Honored on Birthday

Mrs. Dora Lowry of Torrance was the honoree at a birthday dinner party at the home of Mrs. Edmund Tombling, 28283 Annapian Way, Friday with Mrs. Warren LoBaugh of Torrance assisting as co-hostess.

Roses decorated the table and a birthday cake was out and served at the completion of the dinner. A green-back shower followed with Mrs. Lowry receiving money with which to purchase a gift.

Attending were Mesdames C. R. Bohne, Agnes Schneider, Felix Mading, Anna Erickson, A. Roberts, and John Schalley of Lomita; Sara Olson, Robert Smith of Torrance; Lawrence Brunell of San Pedro; E. Tombling, Jr. and daughter of Long Beach.

If it be a fine art to wear your best clothes unconsciously, it is a still finer art to wear your old clothes as though they were your best ones—MYRTLE REED.

Banquet at Wilton Hotel Marks T.E.A. Installation

First annual installation of officers banquet for the Torrance Education Association was held Thursday at 6:30 in the Empire Room of the Wilton Hotel in Long Beach. More than 100 instructors in the Torrance Unified School District and their guests were present, including several members of the Board of Education and Dr. J. H. Hull, superintendent.

The president of the association, Lester Foster, acted as toastmaster and was in charge of welcoming, as well as introduction of all guests. All faculty entertainment included several duets sung by Barbara Stiers and Lloyd Jones, accompanied by Merlyn Anderson. Special recognition was given by the president for the high degree of success and cooperation given him by the incumbent officers in conducting the several special functions of the year. Referring board members included Lester

Foster, president; Lloyd Jones, vice president; Fern Springer, secretary; Isabelle Showler, treasurer; and Dorothea Balloch, representative-at-large. Speaker of the evening was the humorist, Lloyd Prante, principal of John Adams Junior High School, Los Angeles, who spoke on one of his publications, "It's Just a Family Man." In charge of arrangements was Louise Robbins Smith, former secretary of the organization. Appointments were cleverly designed in green and gold.
